

APPRECIATION LETTER

From Alan Petersen of Pocatello, Idaho November 13, 2015

To Monte Beck & Amsden, PLLC

I want to express my deep gratitude for your services.

My brother and I, first met with you and your team to defend our parents in there tragic death caused by a head on collision, May, 14 2014 in Montana. There were lots of questions, and concerns about hiring a legal firm outside of our home state of Idaho. Fortunately, we were able to sense the sincere attitude and expertise that we needed to represent us against the Insurance companies. When I found out you were friends with one of the most famous attorneys "Gerry Spence, of the Ruby Ridge Trail", I suspected you would fight for us, and I was right! Your hard work, and persistence to investigate every possible avenue to settle this case has been exceptional. The resulting outcome due to your diligence and expertise has resulted in a settlement beyond our expectations. We have been blessed to have you represent us against the big insurance companies. I suspect that if we had hired a local attorney in Idaho, we would not have been able to reach even 1/2 of a similar settlement.

Thank You and your team for representing us. We will be forever grateful for your services,

Alan Petersen
